Scared to Death
By Doug Minkler

The ghouls of the pharmaceutical and insurance industries have marked for execution the only viable solution to the health care crisis—SINGLE PAYER. The industries' executioners are well-bribed government representatives paid \$3 million a day to spread fear, misinformation and confusion and to endorse only industry-favorable plans and public options engineered to fail. Tell your representatives that they're **BUSTED!** Demand a Single Payer Plan and Medicare for All.
